These seminars are designed for higher education institution employees who are within 5 years of retirement eligibility and are either MSEP or MSEP 2000 members. Information covered in this seminar will include knowing what your MOSERS defined-benefit pension amount will be; thinking about your benefit amount, inflation, how long you may live; and planning for other people in your life, your expenses during retirement, and all your sources of income.

**REGISTER ONLINE NOW!**

You must register online to attend. [Log in](#) with your MOSERS Online ID to register for a session. Registration closes one week prior to the scheduled session. Once you have registered, a confirmation will be sent to your MOSERS Document Express online mailbox (log in to view and print). If you do not receive a confirmation within one week of registering, contact MOSERS at (800) 827-1063, option 1, to verify your registration. Reminders will be sent the week prior to the session.

Your spouse or guest is welcome to attend with you (even if they are not a state/university employee) and must be included in your registration. If your spouse or guest is also a state/university employee within 5 years of retirement eligibility, they should register separately (as a member) to receive their own personalized benefit estimate.

Hope to see you there!
